Jim,  
Looks like UMass wants to go ahead w/ renovation of Morrill. I think what they are proposing is reasonable and we can use it to renovate the lab. Please call when you get this 617.983.6551.

Hi Julie,  
Do you have any thoughts about how you'd like to proceed with this? The next Public Health Council meeting is February 13<sup>th</sup> and I think it would be good to have this resolved by then so that Dr. Cunningham can give a favorable report to the Commissioner. Thanks.

Grace

I looked at my calendar and am free all next Friday if you're up for a road trip.

Dear Grace: It was a pleasure to meet you today. I'm forwarding the attachments that I provided to Commissioner Auerbach. This also gives me a chance to confirm your title if you'd reply. That will also confirm that I wrote down the email address correctly. Thanks, John

John,

I am forwarding for your use the package of documents that are our draft proposal for the consolidation of the existing space in

Morrill I and IV assigned to the offices and labs of the Western Massachusetts Department of Public Health.

The documents consist of:

1. Existing and proposed program areas
2. Existing and proposed plans of Morrill I and IV Floors 2 and 4
3. Memorandum summarizing the project background, goals, timeline, and proposed plans

I understand that you are leaving for Boston early tomorrow. Let me know if you have any other needs before your meeting.

Tom
